Dear Parents and Carers,

Everyone has settled in to the new school year and their classes well. Our Foundation children have made a fabulous start to school and it was lovely to see so many parents and carers at the new starters' coffee morning last week.

Thank you also for the donations for our Harvest Festival which we donated to the Maldon Food Pantry.

Kind regards,

Mrs Dack

It is extremely important that you submit your application by this deadline, otherwise your child may not get into the school of your choice.

**Wentworth is a NUT FREE school as many pupils have serious allergies, therefore no products containing nuts should ever be brought in to school.**

## Prospective Parent Tours

Is your child due to start school in September 2026?

Wentworth Primary would like to invite prospective parents to attend a tour of our wonderful school. This is an opportunity to see the school in action, providing a glimpse into its learning environment and facilities and is a great way for parents to understand the school's ethos, teaching approach and how the environment supports student development.

- ❖ **Tour of the Early Years setting:** Visitors can observe lessons and outdoor learning activities for younger children, giving insight into how the school nurtures its youngest students.
- ❖ **Observing lessons in all year groups:** Parents will have the chance to see teaching and learning across various age groups and classes.
- ❖ **Behaviour and expectations:** Observe the positive behaviour of students and the high expectations set by staff for both academic and personal growth.
- ❖ **School resources and grounds:** Parents will also see the high-quality resources and extensive grounds that support children's learning, such as equipment, swimming pool and facilities.

Tours last approximately 1 hour and you will have the opportunity to ask questions throughout your visit.
