Keeping Everyone Safe

Adults visiting or working at Wentworth Primary School play an important part in the life of our school.

We can all play a part in keeping children safe whilst working on or visiting the school site. This is whether you are directly employed by the school or working as a volunteer.

Whilst you are in school you may be approached by a child who wants to talk to you about something that is concerning them. You may notice something that concerns you about a child, an unexplained bruise or the physical condition the child is in. In this case to protect both you and the child, you must follow the guidance of this leaflet.

Disclosure of abuse by a child

If you are approached by a child wanting to talk, you should listen positively and reassure the child.

Helping the child when abuse is disclosed:

- ✓ If, in the unlikely event, a child makes a disclosure to you, be prepared to **listen** and comfort.
- ✓ Stay calm and controlled.
- ✓ Do not make false promises e.g. that you will keep the abuse a secret or that no one else will be involved.
- ✓ Do not question a child, try to limit your involvement to listening.
- ✓ Report any disclosure immediately to the Child Protection Designated Person, Mrs Dack, via the School Office.

Guidance for reporting information

You should record your concerns as soon as possible and any note should include the following:

- The nature of the concern.
- What is the evidence that led to your concern.
- What the child said if a discussion took place.
- What you did or said in response.

Please follow the advice in this leaflet, and keep yourself and our children safe!
