Wentworth Eco Code

Save Energy and Water

Turning off lights, air conditioning, whiteboards and computers in empty rooms.

When possible, keep doors and windows shut.

Check water taps are turned off when not in use.

Turning heating down and wear jumpers.

Recycle and Reuse

Reuse the blank side of paper as scrap paper.

Recycle used paper.

Put sharpenings in the outside food bins.

Use reusable water bottles.

Recycle batteries and ink cartridges.

Reduce use of palm oil products.

Reduce use of non recyclable materials at lunch.

Bin Litter and Food

Put left over fruit and vegetables in food bins.

Pick up litter in the playground.

Encourage Wildlife

Look after our outside areas and create habitats for wildlife in our school.
